PREAMBLE :—

In the Government Order No. ED 93 SCL 62, dated 6-9-1963 Sandtion was accorded to the grant of certain educational concessions to the children/dependents of the service personnel in the Army, the Air Force and the Navy and this scheme was amended from time to time. This Scheme which was discontinued for fresh students from the year 1969-70 has been revived by Govt. Order No. ED 35 CDP 71, dated 18-1-1972. At present these concessions are granted to students studying in Government Institutions, Institutions run by Local Bodies, Institutions aided by Government, Institutions maintained by the Universities, Institutions recognised by Government, but not aided by Government and the Institutions not aided by Government but affiliated to any University *vide* G. O. No. ED 40 CDP 67, dated 19-1-1968.

2. The Government of India have requested the State Government to extend the following concessions to the children of officers and men of the Armed Forces killed or disabled etc., during the current hostilities with Pakistan under complete exemption from tuition and other fees levied by the Educational Institutions concerned, *viz.*

(a) charges levied for the school bus maintained by the School.

(b) Actual fares paid for railway pass for students or bus fare certified by Head of Institution.

3. The Government of India have pointed out that the categories of Institutions in which these concessions can be availed of differ from State to State because of the usage of phrases such as 'aided institutions', 'institutions under the control of Director of Public Instruction etc., and this variation is likely to cause hardship to the children of servicemen killed or disabled. They have further stated that such children should be enabled to study in any educational institution recognised by the State or Central Government and have suggested to consider and issue further orders in the matter to make the educational concessions available to the children of servicemen in all recognised institutions in the State.
